

Become One of Manitoba's Best

Here We Grow Again!

Peak of the Market is looking for growers interested in joining our group of Manitoba Family Farms. All Peak of the Market growers must pass an annual independent third party CanadaGAP Food Safety Audit in addition to random audits by our Manager, Training & Quality Assurance. All vegetables must be grown in Manitoba. Farm cooling, grading and storage facilities will be required and growers will need to be able to transport their vegetables to Peak of the Market's Distribution Centre in Winnipeg. On-farm packaging in containers that meet standardized industry specifications is required.

We are looking for Manitoba growers for the following vegetables:

- Beets - bunched only
- Bitter Melon
- Bok Choy
- Brussel Sprouts
- Carrots - bunched only
- Celery
- Chinese Long Bean
- Cilantro
- Eggplant
- Garlic
- Green Onions
- Napa Cabbage
- Parsley
- Radish
- Rapini
- Rutabagas
- Snow Peas
- Spinach - bunched only
- Turnips

Producers interested in these opportunities and looking to join the Peak of the Market family of growers, should contact:

**Dave Whitmore, Vice President Sales, 204.633.7918 or
Dave@PeakMarket.com to arrange a meeting to discuss details.**

After meeting with Dave Whitmore, interested growers would have the option of also meeting with members of our Management Team to answer any additional questions they may have before deciding to join our family. This Management Team includes: Mark Zachanowich, Vice President Operations, Pamela Kolochuk, B.Comm.(Hons.), MBA, CPA, CGA, Chief Financial Officer, Dr. Tracy Shinnars-Carnelley, P. Ag., Vice President Research & Quality, Grant Hackman, Manager, Training & Quality Assurance and Bethany Alards, B.Sc. (Food Science), Quality Control Manager.
